MINUTES - REGULAR MEETING
SANTA MARIA CITY COUNCIL

CITY HALL COUNCIL CHAMBERS
SANTA MARIA, CALIFORNIA

SEPTEMBER 3, 2013

INVOCATION:
Reverend Willie Green gave the invocation.

PLEDGE OF ALLEGIANCE TO THE FLAG:
Councilmember Boysen led the Pledge of Allegiance.

CALL TO ORDER
Mayor Patino called the meeting to order at 6:30 p.m.

ROLL CALL:
MEMBERS PRESENT
Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino.

STAFF MEMBERS PRESENT
City Manager Haydon, City Attorney Trujillo, Director of Community Development Appel, City Librarian Housel, Fire Chief Orr, Director of Recreation and Parks Posada, Senior Assistant City Attorney/Utilities Counsel Stockton, Director of Utilities Sweet, Director of Administrative Services Visé, Director of Public Works/City Engineer Whitehead, Deputy City Manager Barnhard, Deputy City Manager Lara, Police Commander Rodriguez, and Chief Deputy City Clerk Garietz.

Mayor Patino asked for a moment of silence out of respect for Army Specialist Kenneth Clifford Alvarez, 23, who was killed in Afghanistan on August 23rd when his unit was attacked with an IED during combat operations. He was killed along with one of his Brothers in Arms, Private Jonathon M.D. Hostetter. Kenny, as he was known to family and friends, grew up in Santa Maria, and graduated from Delta High School. He was described by friends as always smiling and a friend to everyone. The military described Specialist Alvarez as a dedicated and passionate soldier. He will be missed by all who knew him. Kenny Alvarez is survived by his wife and daughter.

1. PROCLAMATIONS/PRESENTATIONS:

A. PROCLAMATION – OVARIAN CANCER AWARENESS MONTH
Councilmember Zuniga read a proclamation declaring the month of September 2013 as Ovarian Cancer Awareness Month in the City of Santa Maria and encouraging the community to become educated about the symptoms of ovarian cancer. The proclamation was received by Christina Sinco.

B. PROCLAMATION – LITERACY MONTH
Councilmember Orach read a proclamation declaring the month of September 2013 as Literacy Month in the City of Santa Maria and encouraging all residents to join the Central Coast Literacy Council as a member, become a volunteer tutor, participate in the upcoming Spelling Bee on September 21, 2013, or improve their own literacy by becoming a learner. The proclamation was received by City Librarian Housel.

Mayor Patino and Councilmember Orach each complimented City Librarian Housel on the five-year Anniversary celebration for the new City Library, and thanked her for the wonderful services they provide the community.

PUBLIC COMMENT:
Ernest Armenta spoke about allegations regarding former policies of the Police Department and claims that City Councilmembers and City Management were aware of the policies, and suggested that direction be given to prepare a full report and supply it to the Santa Barbara Grand Jury for their review.

Jennifer Karapetian, representing the Santa Barbara County District Attorney's Office, spoke about an upcoming event that is a Traffic Safety and Awareness Walk to assist families of victims of traffic causalities during this year which will be held September 8th. There will be speakers, music, food, and the cost is $20.

Councilmember Zuniga commented on the incident where Mr. Frank Diaz and his dog who were hit and killed on North Blosser Road. During the two months of planning of the Traffic Safety and Awareness Walk event, there have been four additional deaths from traffic incidents: Charlotte Rose McNeil MacLean, Leticia Hernandez, and Adolfo Pozos Carrasco and Casilda Diaz de Pozos. She invited the community to join them at the Traffic Safety and Awareness event. She said that if individuals do not want to walk, they were still welcome to come enjoy the event.

Harry Johnson spoke about his concerns and problems in his neighborhood, and he complained about the Police Department.

Laurette Oien, representing Café Monet, thanked Mayor Patino and Police Chief Martin for making her Café a safer place. She mentioned there had been problems with vagrancy, empty alcohol containers, drug paraphernalia, and people being accosted. The problem seems to have been resolved with officer patrols of the shopping center.

CONSENT CALENDAR:
Consent Calendar Items 3A through 3E were approved on motion by Councilmember Orach, seconded by Councilmember Boysen, and carried on the following vote: 5-0

AYES: Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino
NOES: None
ABSENT: None
ABSTAIN: None

A. ORDINANCES.
The reading in full of all ordinances and resolutions was waived. Ordinances on the Consent Calendar were adopted by the same vote cast at the first reading unless City Council indicated otherwise.

B. MINUTES.
The Minutes of the Regular City Council Meeting of August 20, 2013, were approved as submitted.

C. WARRANTS.
Warrant Nos. 181561 to 181810 totaling $2,045,622.83 were ordered ratified subject to having been certified as being in conformity with the budget and having been approved for payment by the Director of Administrative Services. Warrant No. 180984 was cancelled.

D. PAYROLL.
Payment of payroll was ordered ratified subject to having been certified by the proper Department Heads, as shown on records on file in the Department of Administrative Services and having been approved for payment by the Director of Administrative Services.

E. AGREEMENT FOR LIBRARY SERVICES.
Resolution No. 2013-84 was adopted approving an agreement with the County of Santa Barbara, and the Cities of Santa Barbara and Lompoc for the operation of a Countywide Free Library System for 2013-14.

Resolution No. 2013-84 adopted. A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA MARIA, CALIFORNIA, APPROVING AN AGREEMENT BETWEEN THE COUNTY OF SANTA BARBARA, THE CITY OF LOMPOC, AND THE CITY OF SANTA BARBARA TO PROVIDE FOR THE OPERATION OF A COUNTYWIDE FREE LIBRARY SYSTEM.

APPOINTMENTS:

4. APPOINTMENT TO CENTRAL COAST COMMISSION FOR SENIOR CITIZENS, AREA AGENCY ON AGING. Chief Deputy City Clerk gave the staff report as detailed in the written Council Agenda Report. The term of office on the Central Coast Commission for Senior Citizens, Area Agency expired on July 31, 2013. The incumbent did not reapply and no applications were received during the filing period. On July 16, 2013, staff was directed to re-advertise the vacancy on the Commission. A notice was posted as required by State law, and other noticing was provided on the City's website and through media resources. The deadline for applying for this vacancy was August 15, 2013. One application was received from Aaron Smith.

In addition, staff received notification that Board Member Don Ketz had resigned from the Board of Appeals. The City Clerk's Office sent a press release to the appropriate media outlets and posted it on the City's website, as well as a notice posted as required by State law. The deadline to receive applications was August 15, 2013. No applications were received during the filing period, and the deadline was extended.

On motion by Mayor Patino, seconded by Councilmember Boysen, and carried unanimously that Aaron Smith was appointed to the Central Coast Commission for Senior Citizens, Area Agency on Aging to serve a term of two years ending in July 2015, and staff was directed to re-advertise the vacancy on the Board of Appeals.

AYES: Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino
NOES: None
ABSENT: None
ABSTAIN: None

Aaron Smith thanked the City Council for nominating him to this position. He said that he looked forward to the opportunity to serve.

PUBLIC HEARINGS:

5. ESTABLISH AN INTERIM ZONING ORDINANCE ON BARGAIN BASEMENT STORES IN THE DOWNTOWN SPECIFIC PLAN AREA. Senior Assistant City Attorney/Utilities Counsel Stockton gave the staff report as detailed in the written Council Agenda Report. With adoption of the Downtown Specific Plan in 2009, the Council reaffirmed its vision of a vibrant downtown as a "primary Central Coast destination," with an identity of its own that included entertainment and recreational activities and to be a destination for shopping. As Santa Maria emerges from the recent economic downturn, it faces pressure to depart from its vision by allowing retail uses in the downtown whose inventory is limited to inexpensive goods. On August 3, 2013, the Council expressed its intention to adopt an interim ordinance to temporarily disallow bargain basement stores in the Downtown Specific Plan area, pending further study and additional, proposed regulations. That ordinance contained language that would have delayed the effective date of the ordinance which was in error. The proposed ordinance would become effective immediately, upon a four-fifths' vote of the Council, and would remain in effect for 45 days unless extended. It is a temporary zoning measure in order to preserve the status quo while allowing the Community Development Department time to study and make recommendations for a permanent zoning ordinance or amendment to the Downtown Specific Plan.

Councilmember Zuniga asked to verify that the ordinance will not have any affect on current businesses and asked about the timeframe. She also asked whether there was a reason for the initial 45-day timeframe, and the possible extension not exceed 22 months 15 days. Councilmember Zuniga also asked whether the extension would automatically go into effect or if there will be a notice first.

Senior Assistant City Attorney/Utilities Counsel Stockton replied that the ordinance would have no affect on businesses currently in place. She stated the timeframes were specified by State Law and that the ordinance would be brought before the City Council again at the October 15, 2013, City Council meeting if the Council approved the interim ordinance this evening.

Written Communications
There were no written communications.

Public Hearing
Mayor Patino opened the public hearing at 7:06 p.m., and having no requests to speak closed the public hearing.

Council discussion
Councilmember Boysen stated that he was not in favor of banning bargain basement stores. He is in favor of raising the level of scrutiny or approval of businesses of bargain basements stores before the Planning Commission or the City Council, but did not want to tie the hands of future City Councils regarding businesses that may at some later date be perfectly appropriate in the City of Santa Maria.

Councilmember Green stated that consideration needed to be given to the City's existing plan. The City Council has an obligation to the people of the City of Santa Maria to provide stores that satisfy the needs of its citizenry. He agreed with the conditional agreement that was utilized for the Fallas store.

Councilmember Zuniga stated that what they were really voting on was a feasibility study.

Director of Community Development Appel clarified that the ordinance would prevent applications for businesses that meet the bargain basement store criteria from moving forward until they had time to do a study and could come back with recommendations.

Councilmember Boysen asked when Staff anticipated they could come back with recommendations.

Director of Community Development Appel stated within six months.

Ordinance No. 2013-09 was immediately adopted to temporarily ban retail use in the Downtown Specific Plan Area which primarily sell discounted goods for a period of 45 days on motion by Councilmember Orach, seconded by Councilmember Green, and carried on the following vote:

AYES: Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino
NOES: None

ABSENT: None
ABSTAIN: None

Ordinance No. 2013-09 adopted. AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SANTA MARIA, CALIFORNIA, ESTABLISHING AN INTERIM ZONING MEASURE FOR BARGAIN BASEMENT STORES IN THE DOWNTOWN SPECIFIC PLAN AREA.

6. AMENDMENT TO TITLE 12 OF THE MUNICIPAL CODE ESTABLISHING CHAPTER 12-54 PERTAINING TO MEDICAL MARIJUANA DISPENSARIES; Z-2013-0001. Senior Assistant City Attorney/Utilities Counsel Stockton gave the staff report as detailed in the written Council Agenda Report. The City Council considered a recommendation of the Planning Commission to introduce for first reading by title only and continued to the next meeting for second reading and adoption of an ordinance establishing Chapter 54 of Title 12 of the Santa Maria Municipal Code, prohibiting medical marijuana dispensaries. Santa Maria had taken a consistent position against medical marijuana by indirectly banning the drug in three different ways: 1) through business licenses; 2) nuisance laws; and 3) the City zoning ordinances. Currently, the Santa Maria Municipal Code (SMMC) does not expressly mention the terms "medical marijuana" or "Medical Marijuana Dispensaries." The State Supreme Court recently ruled that local governments may enact ordinances directly banning medical marijuana dispensaries in a zoning ordinance. The Court upheld a zoning ban against medical marijuana dispensaries by granting an injunction against a medical marijuana dispensary. The definition of medical marijuana dispensaries was included in the Municipal Code for the City of Riverside that was upheld by the State Supreme Court.

The proposed project would establish Chapter 54 of Title 12 of the Santa Maria Municipal Code to reflect the recent upholding of the California Supreme Court regarding medical marijuana dispensaries. The Santa Maria Municipal Code would define medical marijuana dispensaries and expressly ban dispensaries, whether fixed or mobile, in every zone in the City.

Written Communications
Chief Deputy City Clerk Garietz indicated that Walter Taylor provided documents to the City Council this evening for its consideration prior to the second reading at the next meeting, in lieu of his public statements this evening. He was opposed to the ban on Medical Marijuana Dispensaries.

Public Hearing
Mayor Patino opened the public hearing at 7:09 p.m.

Ernest Armenta spoke in opposition to the ban on Medical Marijuana Dispensaries.

Having no other requests to speak, Mayor Patino closed the public hearing at 7:12 p.m.

Council discussion
Councilmember Boysen asked for clarification on the Chapter number being added to the Municipal Code as the Staff Report referenced Chapter 12-54, but the Ordinance referred to Chapter 12-51.

Senior Assistant City Attorney/Utilities Counsel Stockton responded that the correct Chapter number was 12-54.

Ordinance No. 2013-10 adding Chapter 12-54 to the Santa Maria Municipal Code, regulating Medical Marijuana Dispensaries, as amended to reflect the correct the Chapter number of 12-54, was introduced by title only for first reading, and continued to the next meeting for second reading and adoption on motion by Councilmember Orach, seconded by Councilmember Green, and carried on the following vote:

AYES: Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino
NOES: None
ABSENT: None
ABSTAIN: None

Ordinance No. 2013-10 introduced. AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SANTA MARIA, CALIFORNIA, ADDING A CHAPTER TO THE SANTA MARIA MUNICIPAL CODE, REGULATING MEDICAL MARIJUANA DISPENSARIES.

REGULAR BUSINESS:

7. SANTA MARIA POLICE DEPARTMENT TENANT IMPROVEMENTS, BID NO. 2013/05, AWARD OF BID. Director of Public Works/City Engineer David Whitehead gave the staff report as detailed in

the written agenda report. The building located at 1111 West Betteravia was purchased by the City of Santa Maria for the future home of the Santa Maria Police Department. The project consists of three phases. Phase I of the project is the structural retrofit of the building to meet seismic requirements for an essential public safety facility. That work is currently underway under separate contract.

Phase II of the project consists of the tenant-improvement work to accommodate the relocation of all Police Department personnel (excluding Dispatch). Approval of this contract would initiate construction of Phase II of the contemplated work at the site, including heating, ventilation, air conditioning, electrical, telephone, fiber optic, plumbing, information technology upgrades, minor interior wall modifications, and site work. Improvements to the facility would encompass a floor space of approximately 53,163 SF, nearly double the size of the existing facility, and would provide a location for the future build-out expansion of the Police Department.

Phase III would address the relocation of dispatch operations. The work would consist of moving all telecommunications, radio equipment, and information systems from the basement to the existing Police Department, as well as all dispatch personnel and equipment to the new Betteravia Facility. Phase III was not expected to commence until early next fiscal year 2014-15.

A report of the bids received was attached to the staff report summarizing the detailed proposal of each of the bidders. The low bid was received from the Diani Corporation and was $8,279,000, approximately $600,000 over the Engineer's Estimate for the project.
Director of Public Works/City Engineer David Whitehead discussed that Phase I (Structural Retrofit) was currently under construction with an anticipated completion amount of $3,137,847. The anticipated total expense for Phase II (Tenant Improvements) is $10,334,829. The combined total is $13,472.676. In June, the City Council appropriated $12,200,000 for the completion of Phases I and II, based on the Engineer's estimate at the time, prior to receiving any bids. Staff requested an additional appropriation of $1.3 million to bring the total appropriation for completion of Phases I and II to $13.5 million. Staff recommended using alternative one-time funding sources as a means to finance this capital project; namely, $850,000 from the Local Economic Augmentation Fund (LEAF) and $450,000 from the Measure U2012 Funds.

He provided a comparison to the City of Santa Barbara who was in need of a new police station. With the same kinds of issues as the City was facing, it would be more cost effective to tear the building down and build a whole new building. The City of Santa Barbara anticipates that cost now, without any design expenditures at this point would be in excess of $68 million compared to the cost the City of Santa Maria was at $30 to $31 million with the purchase of the building and the structural retrofit.

City Manager Haydon spoke about two financing options to cover $1.3 million. He spoke about LEAF financing indicating that according to the year-end report given by Administrative Services Director Visé at the last City Council meeting which indicated that expenditures exceeded revenues by about $400,000. The City has doubled that for projection purposes since the City has not yet closed out the year-end journal entries. If the City had to use $800,000 out of the LEAF fund, the City would start out the year at $5.5 million as opposed to the $3.8 million it was anticipating. The City anticipates using $2.5 million LEAF funds for the coming year. If the City uses $2.5 million as anticipated, it will end the fiscal year with a LEAF balance of $3 million. Staff's recommendation was to use $850,000 from the LEAF fund to finance a portion of Phase II of this project, bringing a remaining balance of $2.1 million, far in excess of the $1.3 million that was anticipated.

Other financing would come from Measure U2012 funds. The City was anticipating revenues of $2.6 million for last year. The total expenditures anticipated to be about $1.6 million and some encumbered expenses that amount to another $350,000 to bring the total estimated expenditures for last year to about $1.9 million. A total of $672,000 of revenues over expenditures. However, $220,000 was encumbered in Fiscal Year 2013-14 for other projects, leaving $452,000 unencumbered in Measure U2012 funds. These funds are one-time in nature and staff's recommendation was to use $450,000 of the Measure U2012 funds combined with the $850,000 from the LEAF funds to finance the $1.3 Million needed for the Police Station.

Public Input
Ernest Armenta spoke about using Measure U2012 funds to balance the budget and he would like to see more money used for youth programs and services.

Council discussion
Councilmember Boysen spoke about the mid-cycle budget review meeting where the General Capital Project Fund analysis was provided. The City was looking at $12.2 million for the West Betteravia Improvements and a fund balance in the General Capital Project Fund of $1,044,000. He indicated that there was a $1.3 million over-run, and staff was recommending that it come from the Measure U2012 and LEAF funds. He felt the General Capital Project Fund would be a more appropriate revenue source.

City Manager Haydon responded that during the mid-cycle budget review process there was $11.6 million fund balance to start the year off. The City was looking at expenditures for 2013-14 Fiscal Year, part of which was $12.2 million for Phase I and II which has increased to over $1.3 million. The report indicated that Staff anticipated ending the year with $1 million in the capital project fund. The report did not address the number of encumbrances that some departments had for capital projects that had already been approved, but planned on spending the funds in the coming year. Consequently, there were not enough funds to cover the encumbrances that had already been approved, and the $1.3 million additional funds needed for the police station.

Councilmember Boysen stated he would like to see a reconciliation on the General Capital Projects Fund analysis so that Council could make a decision on the proper funding sources for the project. He indicated that was his first choice; using the LEAF funds would be his second choice, and he would rather stay away from the Measure U2012 funds completely so they could be reserved for public safety expenses that may be unanticipated at this time.

Councilmember Zuniga stated that she wanted to be sure that the information being provided was accurate and clear. She indicated that she felt uncomfortable with saying that concessions were still needed from the employees, but the City was coming up with $1.5 million for this project. She agreed that the City needed to move forward. She asked Director of Public Works/City Engineer Whitehead about reductions that were made prior to the project going out for bid.

Director of Public Works/City Engineer Whitehead responded $432,000 was the estimated cost of the reductions that were made.

Councilmember Zuniga asked about the difference between the engineer's estimate and the bids that came in. She also asked about the amount for construction administration cost of $282,000, and wanted clarification of what that amount represented.

Director of Public Works/City Engineer Whitehead responded that the construction administration cost was for the tenant improvement project, and is a standard percentage of the bid that is included with all Public Works projects and that it is an estimate of what would be needed to deliver this project.

Councilmember Zuniga asked if the contingency amount was not used, would the funding be returned to the Measure U2012 fund.

City Manager Haydon responded that from a financing standpoint, the City would allocate the LEAF financing first. If all of the contingency funds had to be spent, then as a last resort, the City would use Measure U2012 financing. Measure U2012 financing was put aside for the seven police officers, five sergeants, firefighters and operating costs of Fire Station 5. A recruitment process had been completed and they were not able to hire as many police officers by the end of the fiscal year so then more money was available than originally planned, which leaves funds that are a one-time in nature that should only be used for a one-time expenses.

Councilmember Zuniga clarified that there would be funds available to hire the police officers in the next budget year. She emphasized that her concern was that this will be a one-time only use and that if something else comes up later in this project that staff will not be looking to use Measure U2012 funds again.

City Manager Haydon responded that that is correct. He also pointed out that the Council had set aside one-time funding for the Fire Department in the last budget cycle. This proposal was for a one-time only expense for the new Police Station to be used only as a last resort to finance Phase II.

Councilmember Zuniga indicated that she was interested in Councilmember Boysen's suggestion to look at other funding sources before using Measure U2012 funding.

City Manager Haydon reiterated that the encumbrances for the General Capital Projects Fund were previously approved projects.

Councilmember Boysen stated that he would like to use general capital projects funds, then use LEAF funding, and then use Measure U2012 funding. He also asked for a revised General Capital Projects Fund accounting for the next meeting.

Councilmember Orach commented on how close the bids were. He indicated that he did not have an issue using Measure U2012 for one-time funding that would be going to the Police Department.

Councilmember Green commented on projections.

Mayor Patino stated that this is a necessary project. Over the years were always happy when projects came in below the engineer's estimates. She asked if we could approve the project and the contract and come back later to discuss the funding.

City Manager Haydon stated that the contract could be approved and the appropriations approved so that they could pay the bills. He suggested they go with the $850,000 LEAF funds and come back with a funding analysis for the Measure U2012 funds.

Councilmember Boysen stated that he knows we have the funding in the LEAF and Measure U2012 funds, but would like a reconciliation of the General Capital Projects Funds and to utilize first any funds left after the current encumbrances , then the LEAF funds and if necessary, the Measure U2012 funds.

Resolution No. 2013-85 was adopted awarding the Santa Maria Police Department Tenant Improvements project, Bid No. 2013/05, and approving a contract with Diani Building Corporation in the amount of $8,279,000 on motion by Councilmember Boysen, seconded by Councilmember Zuniga, and carried on the following vote:

AYES:	Councilmembers Boysen, Green, Orach, Zuniga, and Mayor Patino
NOES:	None
ABSENT:	None
ABSTAIN:	None

Resolution No. 2013-85 adopted. A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SANTA MARIA, CALIFORNIA, APPROVING A CONTRACT WITH DIANI BUILDING CORPORATION FOR BID NO. 2013/05, SANTA MARIA POLICE DEPARTMENT TENANT IMPROVEMENTS.

CITY MANAGER'S REPORT
City Manager Haydon reported on items anticipated for the September 17, 2013, City Council Meeting to include two proclamations, an award to be presented to the Recreation and Parks Volunteer of the Month, and the second reading and adoption of the medical marijuana dispensaries prohibition ordinance, and a new Regular Business item regarding the General Fund Capital Projects Fund analysis.

ORAL REPORTS BY COUNCILMEMBERS REGARDING AB1234
Councilmember Boysen reported he attended the CCWA Board meeting and they had their quarterly asset review.

Councilmember Green reported that he attended the reception for the City Library's 5th Anniversary in the Shepard Hall, the Swearing-In ceremony for two employees at the Police Department, and joined the procession gathered at the Santa Maria Airport to honor fallen Army Specialist Kenny Alvarez arriving from Afghanistan.

Councilmember Orach reported that he attended the City's Library Anniversary party, toured the Diablo Canyon Nuclear Power Plant, and the procession at the Santa Maria Airport for Army Specialist Kenny Alvarez.

Councilmember Zuniga thanked Director of Recreation and Parks Posada for his help and assistance with the Traffic Safety & Awareness Memorial Walk event. She also congratulated Mr. Diani and stated that based on their stellar reputation working with his company in the past, the City was excited to have him working with us on Police facility project.

Mayor Patino reported that she attended the Santa Maria Beautiful meeting for August, the Planning Commission meeting, met with the Mexican Consul, a Police Department Tenant Improvements meeting, toured the Diablo Canyon Nuclear Power Plant with Councilmember Orach, the City's Library Anniversary party, the swearing in of two new dispatchers in the Police Department, a tour of C & D Zodiak Aerospace, met with a group from the class of the '60's who would like to bury a time-capsule in the City of Santa Maria, attended the Home Builders Association membership mixer, and was at the Santa Maria airport for the homecoming of Army specialist Kenneth Alvarez.

ADJOURNMENT:
There being no further business to come before the City Council at this time, Mayor Patino declared the meeting of the City Council adjourned at 8:10 p.m. in memory of fallen Army Specialist Kenneth Alvarez.
